**Agents Wanted, TO SELL THE HISTORY OF THE WAR BETWEEN THE STATES,** Its Causes, Character, Conduct, and Results, BY HON. ALEXANDER H. STEPHENS  
A BOOK for all sections and all parties. This absorbingly interesting book, the most complete and impartial analysis of the causes of the war which has ever appeared from a Southern pen; it treats, without partiality, and in the utmost moderation, of the character of the struggle; and in its description of the conduct of the war, it gives those interior lights and shadows of the conflict only known to those high officers who watched the flood-tide of revolution from its fountain-springs, and which were so accessible to Mr. Stephens, from his position as second officer of the Confederate States. The results of the war, present and future, have never been treated by any other officer, and Mr. Stephens' great abilities have here found their fullest play.  
The intense desire everywhere manifested to obtain this, the Official Character and Results, make it the best subscription book ever published, and offers to Agents the best opportunity to make money ever heard of in the history of books.

A Lecture on the Nature, Treatment and Radical Cure of Spermatorrhea, or Seminal Weakness, Impotency, Sexual Debility, and Impediments to Marriage generally. Nervousness, Consumption, Epilepsy, and Fits; Mental and Physical Infirmary, resulting from Self-Abuse, &c.—By ROBERT J. CULWELL, M. D., Author of the "Green Book," &c.  
The world-renowned author, in this admirable Lecture, clearly proves, from his own experience, that the awful consequences of Self-Abuse may be effectually removed without medicine, and without dangerous surgical operations, blood-letting, instruments, rings, or cordials, pointing out a mode of cure at once certain and effectual, by which any sufferer, no matter what his condition may be, may free himself cheaply, privately, and radically. THIS LECTURE WILL PROVE A BOON TO THOUSANDS AND THOUSANDS.
